October 2017

Brad Beskin joined the firm in 2017 after graduating from the University of Texas School of Law. As a trial attorney, Brad represents clients throughout the country in a wide variety of mass torts involving defective medical devices, pharmaceutical drugs, and consumer products. His practice includes general civil litigation.

Brad's volunteer activities include the education, conservation, and exploration efforts of Global Underwater Explorers, as well as the Texas German Shorthaired Pointer Rescue organization.
